Safer Travel Police Information.

We have had some concerning information shared with us by PC Chris Milburn from the Safer Travel Policing Team. Groups of Year 6 to Year 8 students have been throwing missiles and behaving in a dangerous way around the buses that support our community. Some buses are no longer running because of this. PC Milburn is working very hard to identify these students and has asked for our help. If you see any students, behaving in an inappropriate way on or near a bus please contact PC Milburn

directly, (his details are below) or myself and I will pass on any information you have. We all need to work together to keep our community safe.
