

## Swimming Data 2021-22

Swimming and water safety is an important part of the PE curriculum at Fallings Park Primary School; it allows the children to strive to lead an active and healthy lifestyle. We aim to give children the ability to become interested in swimming and to ensure they are safe in the water. Since the pandemic affected swimming provision, we have used a new provider – Splash Swim School at Kings CofE School. Our Y6 children attended for the autumn term and then children who needed extra tuition returned at the end of the summer term.

The Programme of Study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively (for example, front crawl, backstroke, and breaststroke)
- perform safe self-rescue in different water-based situations

### Swimming Attainment 2021/22

<b>Meeting national requirements for swimming and water safety</b>	<b>Percentage July 2022</b>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	58/90 64%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	58/90 64%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	58/90 64%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	We have trained another 5 members of staff using Sport Premium for Teacher of School Swimming. Some Y6 children went back for top up lessons in Summer 2.
