

Personal Statement – Wendy Wilson

I have been a parent governor at Fallings Park Primary for several years.

I have a very good relationship with staff, governors, pupils, and parents.

I feel as a governor I cast an independent eye over the workings of the school, for example through learning walks and link governor meetings.

I can bring additional challenges to decisions made within the governor meetings. I have experience in child safeguarding, and as safeguarding link governor I have worked with school to ensure policies are up to date and that Fallings Park are following the latest safeguarding guidance.

I am very proud to be a governor at Fallings Park Primary, and like every parent I want the very best for my child and the rest of the children at Fallings Park.

I feel it is very important that every child that attends is happy, safe, and confident, and enable to develop their full potential.

To do this, I feel it is essential to support the school and strive to be the very best we can.

Personal Statement – Wyonnetta Spence

I'm a Dedicated individual who is still interested on the ins and outs of a school environment. If I'm re-elected, I will continue to support the head and leadership team with the growth and success of Fallings Park primary.

Personal Statement – Faye Downes

I have two children at Fallings Park. I'm a Team Leader of 20 years. I organise donations and have organised the free bread for our breakfast club.

I have been a foster carer for 15 years. I bring a wealth of experience of working with children, as well as my Finance and Leadership ability to this role if I am elected.
